Our Purpose

So what are we aiming for?

You'll likely not remember what we say or do whilst you're here but hopefully you're remember how we made you feel – that's our sole purpose and we really hope we hit the mark.

Our Site History

How did we come about?

Petruth Paddocks was named after Jules's parents Peter and Ruth (pictured above with "little" Jules on the right ^{01F}_{02A}). Wonderful parents who instilled many of the values we hold today and we hope you'll experience during your stay.

We opened our doors in 2003 to under 100 people with just a tap and a tank and learnt largely by our mistakes but now have 36 taps and welcome over 18000 people each year.

How are we different from the norm?

Well this is what you tell us

Well when Jules ask's people (in-between munching marsh-mellows), they say we:

- Care about how you feel
- Clearly love what we do
- Clean like it's going out of fashion!

That we:

- Don't have silly rules just sensible ones
- Treat people with respect
- Value people whatever they turn up in

Petruth Paddocks Campsite

01934 257055 | webbiz@petruthpaddocks.co.uk

And we're:

- Organised but not regimented
- Friendly & relaxed but all over it
- Thoughtful & considerate

Our Team

Who's on board?

Sandra: Looks after Reception, keeps us fed and somehow keeps the books straight!

Who we for?

The informal crowd

People tend to get what we're about as soon as they see our website.

If that's you, you'll likely have been attracted by our informal approach and the opportunity to free yourself from the silly rules that surround your everyday life whilst knowing that our common sense do's and don'ts will keep you safe and well.

If we've done our job right you should be pitched alongside folk just like you - out for a good time but respectful of other's around you.

Once you're pitched a safe distance from your neighbours we'll not bother you but we're here should you need us.

Petruth Paddocks Campsite

01934 257055 | webbiz@petruthpaddocks.co.uk

Who we not for?

Those preferring formality

We understand that some folk like the security of formality and that's absolutely fine.
It's possible we're not for you?

We encourage:

- Chatting round the campfire till late (Quiet fireside chatter)
- Children running freely till dark (around you but not through you!)
- Music on until 10 or 11pm (appropriate level and field dependant)

so let us know if you'd be happier elsewhere and we'll refund your stay.
There is an adult only site run by our friends Dave and Tracy just down the road: [Cheddar Bridge](#) that may be more your cup of tea.

Add This Guide To Your Phone

How to Add to Your Phone

When you first access this guidebook on your phone you'll notice a prompt to add it to your home screen. **This is highly recommended.** It's faster, easier to access, and available if you're ever offline without reception.

Following the prompt will add an app icon to your phone. It's just like any other app, but without you needing to download anything or sign in!

Petruth Paddocks Campsite

Labourham Drove, Cheddar, Somerset BS27 3XW GB

01934 257055 | webbiz@petruthpaddocks.co.uk

Having Trouble Adding to Your Phone?

You should see a pop up prompt on your phone when you first load the guide, whether that's from an email or a text you've received.

Should you run into any difficulties then there's a handy little help guide that the developers of this Touch Stay software have prepared. You can read it by [right clicking this link](#).

Don't See a Prompt to Add?

Sometimes the prompt to add the app to your phone won't appear. This is usually due to a phone setting. But there's a way around that!

If you open the link from your email, some phones are set to use the email browser rather than a regular browser like Chrome. In those cases the add to home screen option doesn't work (although the guide itself still works perfectly fine).

This isn't something we can control since it's down to the individual phone settings. **However**, to try and address the issue, you'll notice a pop up message encouraging you to copy the link and paste it in your normal web browser. This will then reveal the add to home screen.

Directions

Directions by car, bus & train

The easiest way to navigate is to click or tap "MAP" on the bar right at the bottom of your screen. Once on the map you will see the blue home icon. This is where you are staying. Simply click it and then click "get directions". It will open Google Maps and the end point (our address) will be filled in. You simply need to type in your starting point.

In case your tech fails - here's some good old-fashioned instructions:

Entering Cheddar from:

The M5:

Petruth Paddocks Campsite

Labourham Drove, Cheddar, Somerset BS27 3XW GB

01934 257055 | webbiz@petruthpaddocks.co.uk

If you are towing a caravan or driving a large motorhome via the M5, please exit the motorway at junction 22, not 21 and avoid a stressful end to your journey!

Following brown tourist signs, pick up the A371 heading for Cheddar/Wells. Staying on the A371, ignore signs for the Gorge and drive through the centre of Cheddar village. You'll pass Tesco on your right and the Bath Arms on your left. Continue on this road passing St Andrew's Church followed by Cheddar Football Club on your right. After a further 250 yards, take a right turn (by the Woodpecker Services sign) off the A371 into Labourham Way. Take an immediate left, slow to walking pace and you'll see our large sign in front of you – simply take a sharp left in front of the stone wall and follow the track into the carpark and park up. Pop into reception and say hello and we'll book you in and show you to your pitch.

Bristol A38:

Proceed through the traffic lights at Churchill staying on the A38. Immediately after the Texaco garage turn left signed Shipham/Cheddar. Continue through Shipham and on towards Cheddar. At the bottom of the hill turn in front of the BP station onto the A371 towards Wells. Drive through the centre of Cheddar village. You'll pass Tesco on your right and the Bath Arms on your left. Continue on this road passing St Andrew's Church followed by Cheddar Football Club on your right. After a further 250 yards, take a right turn (by the Woodpecker Services sign) off the A371 into Labourham Way. Take an immediate left, slow to walking pace and you'll see our large sign in front of you – simply take a sharp left in front of the stone wall and follow the track into the carpark and park up. Pop into reception and say hello and we'll book you in and show you to your pitch.

Via the B3135:

If you are towing a caravan or driving a large motorhome via the B3135, please do not turn left signposted Gliding Club, rather continue down the Gorge and avoid a stressful end to your journey and your brake pads! Continue over the mini-roundabout and follow the road until you come to a large stone monument. Turn left onto the A371 signposted Wells. Continue on this road passing St Andrew's Church followed by Cheddar Football Club on your right. After a further 250 yards, take a right turn (by the Woodpecker Services sign) off the A371 into Labourham Way. Take an immediate left, slow to walking pace and you'll see our large sign in front of you – simply take a

sharp left in front of the stone wall and follow the track into the carpark and park up. Pop into reception and say hello and we'll book you in and show you to your pitch.

Via the A371 from Wells:

Travel along the A371 through Draycott. You will pass the Cheddar Garden Centre followed by a nasty S bend. On exiting the bend, take an immediate left off the A371 at the "Welcome to Cheddar" sign into Labourham Way then another immediate left, slow to walking pace and you'll see our large sign in front of you – simply take a sharp left in front of the stone wall and follow the track into the carpark and park up. Pop into reception and say hello and we'll book you in and show you to your pitch.

Via the B3151 from Wedmore:

DO NOT follow your satnav's instructions to turn right into Labourham Drove unless you are in a 4x4. Instead follow signs for Cheddar Village and turn next right into Station road. At the war memorial turn right onto the A371 signed for Wells. You'll pass Tesco on your right and the Bath Arms on your left. Continue on this road passing St Andrew's Church followed by Cheddar Football Club on your right. After a further 250 yards, take a right turn (by the Woodpecker Services sign) off the A371 into Labourham Way. Take an immediate left, slow to walking pace and you'll see our large sign in front of you – simply take a sharp left in front of the stone wall and follow the track into the carpark and park up. Pop into reception and say hello and we'll book you in and show you to your pitch.

Have a safe journey and we look forward to welcoming you here very soon.

Murphy's camping law:

Whatever vehicle you're in, you're likely going to need a bigger one!

Take a gander at this [great checklist](#) then consider:

- a) Buying a van
- b) Buying a trailer
- c) Leaving the kids at home!

The good news is that if you do forget something or can't squeeze it in, we can usually figure out a solution :)

So what happens upon arrival?

Check-in Time

To allow easy arrivals and departures, our arrival times are as follows:

2PM if you're bringing your own accommodation

4PM if you're using ours

Final arrival time is 8pm so if you are delayed please call us on 01934 257055 as we restrict on-site driving after dark and may need to pitch you adjacent to our car park until morning.

Check-in - how it works

Please drive slowly through our main entrance and likely join a small queue of fellow campers into our Reception car park.

We'd appreciate it if then just one person comes to the desk to check in, we'll then show you all to your pitch and explain key things you'll need to know.

On busy weekends we may ask you to park additional cars in our car park.

Petruth Paddocks Campsite

Labourham Drove, Cheddar, Somerset BS27 3XW GB

01934 257055 | webbiz@petruthpaddocks.co.uk

Pitching

We all prefer good neighbours so it's really important that we make sure you're alongside others wanting a similar break to you.

We'll have already put some thought into this (especially if you're in a group) but during check-in we'll make sure we've got it right and then take you to your pitch.

We also want to keep you safe so we'll ask you to make sure that you're accommodation is 6M away from anyone else's although your vehicle can pop into that gap.

Just visiting?

Visitors are welcome to join you although we'd appreciate it if they could avoid our busy Fridays!

Please ask them to:

- Park in our visitor car park
- Register at Reception
- Make a small donation to one of our charities

WiFi Access

Sorry but we've chosen to invest in great toilets, showers and pot wash rather than Wi-Fi.

Phone Reception

4G Reception

There is a good 4G signal for all networks.

However, we really do suggest you add this app to your phone because not everywhere in the surrounding area has a good 4G signal. If you do lose connectivity then you'll be able to access the content if you've added the app to your phone.

Just note that, if you do travel around the area and lose connection. since it's loading content offline, you obviously won't be able to click external links, use the map, etc since they would require an internet connection. But all the text and photos will work A-OK!

Please do:

Petruth Paddocks Campsite

Labourham Drove, Cheddar, Somerset BS27 3XW GB

01934 257055 | webbiz@petruthpaddocks.co.uk

- Position your fire 4 m away from your tent - further if its windy
- Ask us to help you if you're not sure how to get your fire going
- Bring your own fire-pit if you prefer - just so long as it doesn't burn our grass

Please don't:

- Bring/burn your own timber - we have a planning condition to comply with
- Pile logs above the rim of the drum - it will topple over
- Add foraged timber - it will smoke and cause us problems with neighbours
- Use disposable barbecues - we will remove them if found

Barbeques

Prefer to use your own barbecue? No problem!

So long as its off the ground and doesn't burn our grass just crack on!

Disposable foil barbecues are not allowed on or off the grass

Use our fire drum

Most folk simply use charcoal in our fire-drum along with a grill to cook on - you can happily cater for 6 like this.

Waste and Recycling

We really do care about how waste leaves our site and we hope you do to. Please separate your waste from the start of your stay – otherwise we'll be asking you to do it upon departure and that's very yucky and not a great way to end your time here!

Our waste point is to the left of the toilet/shower area and the bins are all clearly marked with both words and pictures so no excuses!

If you need additional sacks please just ask one of us at reception.

The split works like this:

- Tins, cans and plastic bottles
- Card and paper
- Food
- Glass
- The rest

If you think that slinging everything into a black sack is acceptable, we're not going to get along so please book somewhere that doesn't care like we do.

Dogs Welcome

Dogs Welcome so long as.....

Your dog is very welcome! To help make holidays enjoyable for everyone, we simply ask:

They are within easy reach of you

Do not sleep on our bedding (accommodation units)

Are never left unattended

You look out for and pick up their doings in a biodegradable bag and use our many dog bins

They are not aggressive towards other dogs or people

They do not yap - we particularly don't like yappy dogs!

Dog Friendly Attractions & Days Out

Awaiting completion

A place to let them off

When the site is not too busy we usually have a field you can use - just ask one of the team

If not, there are a number of lovely short walks - here's two:

1) Head towards the village on the cyclepath but veer off left when the path rises and you'll find a lovely river. Turn left and follow the river through a number of fields and unlocked gates until you meet a road. There is a small wall to get your hairy friend over You can either turn back, continue straight on for miles or turn left along the road for 100m then turning left down a track that will bring you back to the campsite entrance

2) Go out of the gate at the bottom of our family group field and simply wander down the drove. There are a number of droves off this one that are lovely to wander down even if they don't really go anywhere!

Urgent/Emergency

What to do in an Emergency

For emergency services (ambulance, police, fire, or coastguard) please immediately call 999 (or 112 from a mobile). Even without phone reception, 112 will work. Do not delay if you feel an emergency situation has arisen.

In case of a fire

- Exit as quickly as possible
- Ensure that all persons are accounted for
- Dial 999 and ask for 'FIRE'
- State your location
- Notify us once you're safe

Do not attempt to re-enter until a Fire Officer states that it is safe to do so.
