Welcome: Your Inside Track

So maybe you're reading this before you arrive or you've only just stepped off the hamster-wheel and plonked yourself into your deckchair with a long-awaited beer! Whatever the case, we guess you'd like to have some idea of where stuff is and how we roll?

We've tried to answer every question we've ever been asked but if you can't find what you're looking for just grab any one of us!

Do I Really Need This Info?

Honest answer? 100% YES! Think of it like having us "virtually" by your side, showing you:

- How to find us
- How we Check you in
- Where stuff is on site
- Where to eat & drink
- How to book an activity
- I've forgotten my tent poles....
- Site rules - what good looks like

So pour another beer or top up your wine glass and take a gander - you've got nothing else to do and thats a good thing!

So... Add the App to Your Phone

When you first access this guidebook on your phone you'll notice a prompt to add it to your home screen. This is highly recommended. It's faster, easier to access, and available if you're ever offline without reception. If you didn't see the prompt to add it to your phone, [this short overview](#) should help.

Our Purpose

So what are we aiming for?

You'll likely not remember what we say or do whilst you're here but hopefully you'll remember how we made you feel – that's our sole purpose and we really hope we hit the mark.*

Our Site History

How did we come about?

Petruth Paddocks was named after Jules's parents Peter and Ruth (pictured above with "little" Jules on the right ^{01F}_{02A}). Wonderful parents who instilled many of the values we hold today and we hope you'll experience during your stay.

We opened our doors in 2003 to under 100 people with just a tap and a tank and learnt largely by our mistakes but now have 46 taps and welcome over 18000 people each year.

How are we different from the norm?

Well this is what you tell us

Well when Jules ask's people (in-between munching marsh-mellows), they say we:

- Care about how you feel
- Clearly love what we do
- Clean like it's going out of fashion!

That we:

- Don't have silly rules just sensible ones
- Treat people with respect
- Value people whatever they turn up in

Petruth Paddocks Campsite

Labourham Drove, Cheddar, Somerset BS27 3XW GB

01934 257055 | webbiz@petruthpaddocks.co.uk

And we're:

- Organised but not regimented
- Friendly & relaxed but all over it
- Thoughtful & considerate

Our Team

Who's on board?

Jules: Largely wanders around chatting to our guests, eating their toasted marsh-mallows and drinking their beer!

Sandra: Looks after Reception, keeps us fed and somehow keeps the books straight!

Kelly: In charge of Operations – all the admin, procedures and regulations that we do our best to hide from you all!

Steve: Takes care of Maintenance and Construction.

Abby: Lives on site and makes sure that everything works, is clean and that you feel safe and relaxed.

Who we for?

The informal crowd

People tend to get what we're about as soon as they see our website.

If that's you, you'll likely have been attracted by our informal approach and the opportunity to free yourself from the silly rules that surround your everyday life whilst knowing that our common sense do's and don'ts will keep you safe and well.

If we've done our job right you should be pitched alongside folk just like you - out for a good time but respectful of other's around you.

Once you're pitched a safe distance from your neighbours we'll not bother you but we're here should you need us.

Petruth Paddocks Campsite

01934 257055 | webbiz@petruthpaddocks.co.uk

Who we not for?

Those preferring formality

We understand that some folk like the security of formality and that's absolutely fine.

It's possible we're not for you?

We encourage:

- Chatting round the campfire till late (Quiet fireside chatter)
- Children running freely till dark (around you but not through you!)
- Music on until 10 or 11pm (appropriate level and field dependant)

so let us know if you'd be happier elsewhere and we'll refund your stay. There is an adult only site run by our friends Dave and Tracy just down the road: [Cheddar Bridge](#) that may be more your cup of tea.

Have a great break

Add This Guide To Your Phone

How to Add to Your Phone

When you first access this guidebook on your phone you'll notice a prompt to add it to your home screen. **This is highly recommended.** It's faster, easier to access, and available if you're ever offline without reception.

Following the prompt will add an app icon to your phone. It's just like any other app, but without you needing to download anything or sign in!

Having Trouble Adding to Your Phone?

Petruth Paddocks Campsite

Labourham Drove, Cheddar, Somerset BS27 3XW GB

01934 257055 | webbiz@petruthpaddocks.co.uk

You should see a pop up prompt on your phone when you first load the guide, whether that's from an email or a text you've received.

Should you run into any difficulties then there's a handy little help guide that the developers of this Touch Stay software have prepared. You can read it by [right clicking this link](#).

Don't See a Prompt to Add?

Sometimes the prompt to add the app to your phone won't appear. This is usually due to a phone setting. But there's a way around that!

If you open the link from your email, some phones are set to use the email browser rather than a regular browser like Chrome. In those cases the add to home screen option doesn't work (although the guide itself still works perfectly fine).

This isn't something we can control since it's down to the individual phone settings. **However**, to try and address the issue, you'll notice a pop up message encouraging you to copy the link and paste it in your normal web browser. This will then reveal the add to home screen.

Directions

Directions by car, bus & train

The easiest way to navigate is to click or tap "MAP" on the bar right at the bottom of your screen. Once on the map you will see the blue home icon. This is where you are staying. Simply click it and then click "get directions". It will open Google Maps and the end point (our address) will be filled in. You simply need to type in your starting point.

In case your tech fails - here's some good old-fashioned instructions:

Entering Cheddar from:

The M5:

Petruth Paddocks Campsite

Labourham Drove, Cheddar, Somerset BS27 3XW GB

01934 257055 | webbiz@petruthpaddocks.co.uk

If you are towing a caravan or driving a large motorhome via the M5, please exit the motorway at junction 22, not 21 and avoid a stressful end to your journey!

Following brown tourist signs, pick up the A371 heading for Cheddar/Wells. Staying on the A371, ignore signs for the Gorge and drive through the centre of Cheddar village. You'll pass Tesco on your right and the Bath Arms on your left. Continue on this road passing St Andrew's Church followed by Cheddar Football Club on your right. After a further 250 yards, take a right turn (by the Woodpecker Services sign) off the A371 into Labourham Way. Take an immediate left, slow to walking pace and you'll see our large sign in front of you – simply take a sharp left in front of the stone wall and follow the track into the carpark and park up. Pop into reception and say hello and we'll book you in and show you to your pitch.

Bristol A38:

Proceed through the traffic lights at Churchill staying on the A38. Immediately after the Texaco garage turn left signed Shipham/Cheddar. Continue through Shipham and on towards Cheddar. At the bottom of the hill turn in front of the BP station onto the A371 towards Wells. Drive through the centre of Cheddar village. You'll pass Tesco on your right and the Bath Arms on your left. Continue on this road passing St Andrew's Church followed by Cheddar Football Club on your right. After a further 250 yards, take a right turn (by the Woodpecker Services sign) off the A371 into Labourham Way. Take an immediate left, slow to walking pace and you'll see our large sign in front of you – simply take a sharp left in front of the stone wall and follow the track into the carpark and park up. Pop into reception and say hello and we'll book you in and show you to your pitch.

Via the B3135:

If you are towing a caravan or driving a large motorhome via the B3135, please do not turn left signposted Gliding Club, rather continue down the Gorge and avoid a stressful end to your journey and your brake pads! Continue over the mini-roundabout and follow the road until you come to a large stone monument. Turn left onto the A371 signposted Wells. Continue on this road passing St Andrew's Church followed by Cheddar Football Club on your right. After a further 250 yards, take a right turn (by the Woodpecker Services sign) off the A371 into Labourham Way. Take an immediate left, slow to walking pace and you'll see our large sign in front of you – simply take a sharp left in front of the stone wall and follow the track into the carpark and park up. Pop into reception and say hello and we'll book you in and show you to your pitch.

Via the A371 from Wells:

Petruth Paddocks Campsite

Labourham Drove, Cheddar, Somerset BS27 3XW GB

01934 257055 | webbiz@petruthpaddocks.co.uk

Travel along the A371 through Draycott. You will pass the Cheddar Garden Centre followed by a nasty S bend. On exiting the bend, take an immediate left off the A371 at the "Welcome to Cheddar" sign into Labourham Way then another immediate left, slow to walking pace and you'll see our large sign in front of you – simply take a sharp left in front of the stone wall and follow the track into the carpark and park up. Pop into reception and say hello and we'll book you in and show you to your pitch.

Via the B3151 from Wedmore:

DO NOT follow your satnav's instructions to turn right into Labourham Drove unless you are in a 4x4. Instead follow signs for Cheddar Village and turn next right into Station road. At the war memorial turn right onto the A371 signed for Wells. You'll pass Tesco on your right and the Bath Arms on your left. Continue on this road passing St Andrew's Church followed by Cheddar Football Club on your right. After a further 250 yards, take a right turn (by the Woodpecker Services sign) off the A371 into Labourham Way. Take an immediate left, slow to walking pace and you'll see our large sign in front of you – simply take a sharp left in front of the stone wall and follow the track into the carpark and park up. Pop into reception and say hello and we'll book you in and show you to your pitch.

Have a safe journey and we look forward to welcoming you here very soon.

Travelling by public transport?

If you're coming by rail the best option is to alight at Weston Super Mare. Train times can be found here: <https://www.thetrainline.com/train-times>

If you plan to travel by coach you'll need to take one to Weston Super Mare. Take a look at: <http://www.nationalexpress.com/offers.aspx>

We are around 10 miles from Weston so your choice is either to take a cab (around £25) or a bus (see below)

If you are travelling by bus, please take a look at the following link for departure/arrival times: [Bus times from Weston to Cheddar](#)

When you know your arrival time in Cheddar, give us a call on 01934 257055 and we'll come and pick you up

Don't Forget To Bring

Don't Forget to Bring

Murphy's camping law:

Whatever vehicle you're in, you're likely going to need a bigger one!

Take a gander at this [great checklist](#) then consider:

- a) Buying a van
- b) Buying a trailer
- c) Leaving the kids at home!

The good news is that if you do forget something or can't squeeze it in, we can usually figure out a solution :)

What you need to hook up

We provide the post with a supply but you'll need this if you have a tent

Its important that you use a hook up cable with trip-switch protection if you are to stay safe.

You can order them on Amazon for £40-£50 here's an example: [unit right here](#)

So what happens upon arrival?

Check-in Time

To allow easy arrivals and departures, our arrival times are as follows:

2 PM onwards, if you're bringing your own accommodation

4 PM onwards, if you're using ours

Final arrival time is 8 pm, so if you are delayed, please call us on 01934 257055 as we restrict on-site driving after dark and may need to pitch you adjacent to our car park until morning.

01934 257055 | webbiz@petruthpaddocks.co.uk

Check-in - how it works

Please drive slowly through our main entrance and likely join a small queue of fellow campers into our Reception car park.

We'd appreciate it if then just one person comes to the desk to check in, we'll then show you all to your pitch and explain key things you'll need to know. On very busy weekends we'll come to you!

Also on busy weekends, we may ask you to park additional cars in our car park.

Pitching and pitch sizes

We all prefer good neighbours so it's really important that we make sure you're alongside others wanting a similar break to you. We'll have already put some thought into this (especially if you're in a group) but during check-in we'll make sure we've got it right and then take you to your pitch where you can also park.

We have the following locations:

Family field (up to two families)

Family group field (three or more families)

Family quiet field (young families wanting early nights)

Adult quiet field (Couples wanting early nights)

Singles/couples field (up to four people)

Adult field (five to ten adults)

We also want to keep you safe so we'll ask you to make sure that you're accommodation is 5 metres away from anyone else's although your vehicle can pop into that gap.

Petruth Paddocks Campsite

Labourham Drove, Cheddar, Somerset BS27 3XW GB

01934 257055 | webbiz@petruthpaddocks.co.uk

We're happy for tents and other accommodation types to pitch together and vehicles to park next to accommodation. If you'd like to put up a gazebo, there's no additional charge :)

We charge per person so whilst powered pitches can only accommodate one sleeping unit, on a non-powered pitch you can have one tent per person if you like as there is no specific pitch size.

Powered pitches are a minimum of 10 metres wide

Just visiting?

Visitors are welcome to join you although we'd appreciate it if they could avoid our busy Fridays!

Please ask them to:

- Park in our visitor car park
- Register at Reception
- Make a small donation to one of our charities

WiFi Access

WiFi Access

Sorry but we've chosen to invest in great toilets, showers and pot wash rather than Wi-Fi.

We have good 4G here and 5G is just around the corner.

If you have a work related need for connectivity, please pop to reception and we'll happily help you out.

Phone Reception

4G Reception

There is a good 4G signal for all networks.

However, we really do suggest you add this app to your phone because not everywhere in the surrounding area has a good 4G signal. If you do lose connectivity then you'll be able to access the content if you've added the app to your phone.

Just note that, if you do travel around the area and lose connection. since it's loading content offline, you obviously won't be able to click external links, use the map, etc since they would require an internet connection. But all the text and photos will work A-OK!

Charging vehicles

If you'd like to charge your vehicle overnight, read on.....

If you've booked a powered pitch we can provide you with a household 3-pin socket to connect to so please bring your 3-pin household plug to connect.

If you've not got a powered pitch we have a couple of hook up boxes (not fast chargers) you can use for £15 per 12-hour charge. Same as above for the connection socket and plug.

Campfires and BBQs

Campfires - how's it work?

Well we pretty much take care of it all for you! All you have to do is throw it all together and light it :) If you're not sure how, just ask us to show you.

No need to book, we deliver everything you need right to your door every evening and starting at 5pm we aim to do that by 7.30pm. If you need more logs after 8pm you can collect them from Reception until 9pm.

We provide a fire-kit consisting of:

- £2.50 Fire-drum per night
- £4.50 Kindling sacks
- £7.00 Log sacks
- £1.00 Paper/Fire-lighter

Petruth Paddocks Campsite

We'll also have on board:

- £2.00 Marshmallows
- FOC Sticks within reason
- 50P Matches
- £7.50 Grills
- £11.00 Charcoal

We accept cards or Cash.

Do's and Don'ts

Please do:

- Position your fire 4 m away from your tent - further if it's windy
- Ask us to help you if you're not sure how to get your fire going
- Bring your own fire-pit if you prefer - just so long as it is at least 30cm/ 12" off the grass

Please don't:

- Bring/burn your own timber - we have a planning condition to comply with
- Pile logs above the rim of the drum - it will topple over
- Add foraged timber - it will smoke and cause us problems with neighbours
- Use disposable barbecues - we will remove them if found and levy a £50 fine.

Barbeques

Prefer to use your own barbecue? No problem!

Charcoal or gas, so long as its off the ground and doesn't burn our grass just crack on!

[Disposable foil barbecues are not allowed on or off the grass \(£50 fine\)](#)

Use our fire drum

Most folk simply use charcoal in our fire-drum along with a grill to cook on - you can happily cater for 6 like this.

You can use your own charcoal and grill or ours

You can use your own barbecue so long as it is off the ground.

Facilities

Info Tent

You can charge devices in the Info tent at no cost but left at your risk.

We're happy for you to dry your hair and blow up your airbed.

There's also lots of leaflets on local attractions and days out and books for you to borrow.

Reception

Petruth Paddocks Campsite

Labourham Drove, Cheddar, Somerset BS27 3XW GB

01934 257055 | webbiz@petruthpaddocks.co.uk

We have a licenced shop in Reception and sell the essentials. Drinks, snacks, toiletries and a few other bits and bobs!

We also have a bean to cup coffee machine if you just need a great coffee and don't want to queue at the shack!

We **do not** have the facility to freeze ice blocks, but we do sell ice! We charge £2.50 for half a returned bucket.

Waste and Recycling

We really do care about how waste leaves our site and we hope you do too.

Please separate your waste from the start of your stay – otherwise we'll be asking you to do it upon departure and that's very yucky and not a great way to end your time here!

Upon arrival, we provide you with a flex-bucket to transport all your waste to our recycling centre.

Petruth Paddocks Campsite

Labourham Drove, Cheddar, Somerset BS27 3XW GB

01934 257055 | webbiz@petruthpaddocks.co.uk

Our recycling centre is to the left of the toilet/shower area, and the bins are all clearly marked with words and pictures, so there are no excuses!

If you need additional sacks, please just ask one of us at reception.

The split works like this:

- Tins, cans and plastic bottles
- Card and paper
- Food
- Glass
- The rest

If you think that slinging everything into a black sack is acceptable, we're not going to get along so please book somewhere that doesn't care like we do.

Waste water

We cater for two types of waste:

- Black water (chemical waste)
- Grey water (shower/basin waste)

Childs play

Activity area

We have created an activity area in the centre of our Family field, where your children are free to clamber on old cable reels, sleepers, tractor tyres, a tractor, a golf buggy, and of course, our old friend, Mr Landy!

There are picnic benches for parents to sit nearby and keep an eye on toddlers

To avoid disturbing other families, please ensure that your children are not on the equipment before 8 am or after 10 pm.

Food & Drink

The Crown Jules - Cocktails and local brews on draught!

Welcome to The Crown Jules ☎️

We've only gone and bought a big red double-decker bus, transformed it into a bar, filled it with a passionate team, and parked it beside a crackling fire pit for you to gather around.

Open 5 pm till 9 pm, The Crown Jules isn't just somewhere to grab a drink; it's a place to slow down, swap stories, make new friends, and enjoy those magical holiday moments that seem all too rare in everyday life.

Pull up a seat and choose from a tempting range of cocktails, local beers on draught and cask, carefully selected wines, and, of course, the Somerset ciders you simply have to try! Whether you're celebrating something special, winding down after a day exploring the Mendips, or simply enjoying the company of family and friends, we've got a drink with your name on it.

Petruth Paddocks Campsite

Labourham Drove, Cheddar, Somerset BS27 3XW GB

01934 257055 | webbiz@petruthpaddocks.co.uk

As the sun begins to dip and the campfires flicker into life, The Crown Jules becomes the beating heart of the campsite. Children toast marshmallows, grown-ups raise a glass, live acoustic music drifts through the evening air, and for a little while the pressures of modern life seem a million miles away.

No dress code. No membership required. No screens necessary.

Just great drinks, good people, warm fires, and the simple pleasure of being together.

Welcome aboard. 🏠🏠🏠🏠

Hot tub!

Fancy a soak under the stars?

You can now book a wood-fired hot tub for your pitch!

We'll roll it over to you before you arrive, fill it up, and leave you with a generous bundle of logs and kindling so it's all ready for you to fire up when you're in the mood for a steamy soak.

Perfect for warming up after a long walk, stargazing with a glass of something nice, or just adding a bit of wild luxury to your camping adventure.

Sorry, but to keep you safe, the tub is limited to six people and therefore not suitable for large groups. It comes with a cover you can secure for safety.

Hot tub numbers are very limited, so if you fancy one, best get it booked now and be the envy of your neighbours!

Optional power supply information

How we charge for power

Our charges for power consist of two elements:

1) A daily service charge of £1.00 that covers:

- a) Our power provider's standing charge
- b) The cost of administering the system
- c) The cost of processing payment
- d) The cost of installing & maintaining the system
- e) The cost of our annual safety inspection

2) The cost we are charged by our supplier for providing power

Petruth Paddocks Campsite

Labourham Drove, Cheddar, Somerset BS27 3XW GB

01934 257055 | webbiz@petruthpaddocks.co.uk

Power is charged based upon consumption. Consumption is measured in Kilowatt hours. We are charged 37p per KWH and this is the charge we pass onto you

How you access power

We thought it might be helpful to explain how you can top up on the initial power you've paid for on your pitch. Please just follow these steps:

- 1) Make sure:
 - a) You have booked/are on a pitch that has optional power-you can check [here](#)
 - b) You have a power cable - [One for a caravan/campervan/motorhome](#) or [One for a tent](#)
- 2) Pop to Reception and ask to top up your power - typical use is £3 to £4 per 24 hours but can be much more if you are using electricity to heat.
- 3) We will process your card or cash payment.

Petruth Paddocks Campsite

Labourham Drove, Cheddar, Somerset BS27 3XW GB

01934 257055 | webbiz@petruthpaddocks.co.uk

4) We'll enter the amount on our system and transfer this onto a power card and hand it to you.

5) Connect your cable to the post (this MUST happen first) and flick the 3 trip switches up.

6) Just open the waterproof cover on your power post and hold the card up to the LED screen.

7) The amount will appear on the screen :)

When you depart:

1) Re-open the waterproof cover and hold your card to the LED screen - whatever amount left will transfer to the card.

2) Disconnect your cable.

3) Pop to Reception to return the card and request your refund or pop the card in the red postbox to the right of our reception door.

How you can keep the cost down

Petruth Paddocks Campsite

Labourham Drove, Cheddar, Somerset BS27 3XW GB

01934 257055 | webbiz@petruthpaddocks.co.uk

The lowest charge we've seen per 24 hours has been £1.70p including our service charge.

The highest has been £24.00 - £1.00 an hour!

Whilst we don't mind what you consume, there is the environment to consider so using the minimum is best all round 😊

What you can do straight away:

Turn off whatever you don't need on.

The biggest consumers of power are devices that produce heat - heaters, kettles, irons and toasters - use them all sparingly.

Remember to turn everything unnecessary off when you go out - there really is no need to heat your awning or your tent during the day.

What you may like to consider longer-term:

Install solar panels if you have a caravan, motorhome, or camper. Go for portable panels if you have a tent. Whilst these clearly function better on sunny days, they make a big impact upon your consumption overall.

Purchase camping-specific electric devices with low wattage.

Petruth Paddocks Campsite

Labourham Drove, Cheddar, Somerset BS27 3XW GB

01934 257055 | webbiz@petruthpaddocks.co.uk

What devices can you use?

We provide this highest amperage allowable for a campsite - a 16 amp supply. But what does that mean?

It simply means that you need to consider how many devices you are using at the same time otherwise you will exceed 16 amps, overload the system and trip the breaker on your post and possibly others too!

Each of your devices will have a label stating a power rating in Watts which isn't much help if you need to know Amps so here's a handy guide that you can use to stay within the 16amp limit at any one time.

Just add the wattage of the appliances you have plugged in together if it's above the ampage you've paid for it will trip. So just unplug a few things and away you go.

All workings out are done to 230v which is the middle ground between EU supply voltage 220v and uk supply voltage 240v The uk declared voltage and tolerance for an electricity supply is 230 volts -6%, +10%. Other factors come in to play, power factor correct, ambient temperature, cable length etc but for a general guide working to 230v will give a rough idea to people if they can have their heater and hair straighteners plugged in at the same time

The Cider Barn

What can we say? Possibly the most random place on the Mendips! We'll leave you to discover its magic for yourself....

You can walk to it via a track and small lane in 35 minutes or cycle it in 15. Please do not walk on the main road - it's very dangerous.

Just exit the campsite from the bottom of the Chillout Field, turn left, walk for 20 minutes, turn left, walk for 15 minutes and you're there! There's a lovely decked area at the back that's easy to miss.

Best to book in advance [right here](#)

Water & shade nearby

A lovely river!

Just a 5 minute stroll from us is a beautiful river that you can paddle in and further down take a proper dip if you like! The trees close by provide plenty of shade for a picnic or you can walk for a couple of miles through field after field.

Dogs are welcome - ours pretty much swims the whole way there and back!

Just take the path towards the village and as peel off left just as the path turns into a slope. When you get to the river, turn left and make your way down the track and you'll find yourself at the shallow end!

Rockaway Park

Tucked away behind an unassuming country lane near Temple Cloud, it is the site of a former quarry, with a large central yard backed by stoney cliffs, encircled by fields on one side, and a steep-sided forest garden on the other.

Within minutes of arriving, you'll discover a treasure trove of rescued and reused objects, from fairground ephemera and repurposed scrap metal trikes, to an actual dolphin skeleton.

You'll meet artists at work in their studios; a knife maker, a carpenter and a creative workshop repurposing tyres.

Mutant vehicles abound: a rocket with giant wheels; a van shell ornately sculpted into a beautiful rusty forest; a car reimagined as a mosaic of smashed mirrors. A palm tree of cones and delicate metal palm fronds made from road signs, hangs overhead.

Acting as a vital hub to help foster connections, the Rockaway Café is open through the week, with different meal options on weekends – including monthly vegan Sunday roasts.

And around the centre of the site, there are dotted numerous studios, cabins, the so-called 'main shed' where Wilson can often be found tinkering with

Indoor activities

Bodden Cross Studio

The Bodden Cross Studio was created by Stephen Stokes to allow people to have fun with wood. Through many years of teaching woodturning Stephen learned many people just want to come and try, but can't commit to days, weeks or months on courses they're not sure they will enjoy.

Some of us have jobs where at the end of the day we ask ourselves, "What did I achieve today?" Often it's hard to give a definitive answer.

On a Bodden Cross Studio woodturning or letter carving course you can come and make a wooden bowl, carve a sign, or any one of a multitude of other projects in a day.

At the end of the day you **will** have achieved something.

Come and see for yourself what you can create.

Wraxall Vineyard

An English Vineyard with Somerset Charm

Working in harmony with our surroundings, nurturing the vines and understanding the terroir is at the heart of the Vineyard; and the Vineyard is where great wine begins!

Situated on a beautiful south-facing hill just south of the Mendips in Somerset, Wraxall Vineyard is surrounded by verdant countryside and breath-taking views. Blessed with a mild South West climate and rich fertile soils, our location is perfect for growing vines.

Yet growing vines and producing wine is a slow process and a real labour of love. Owners David and Lexa took over Wraxall Vineyard as a family venture in 2021. Quality and sustainability is at the heart of everything that we do and today we are producing truly great wines for all to share, celebrate and enjoy.

Dogs Welcome

Dogs Welcome so long as.....

| Your dog is very welcome! To help make holidays enjoyable for everyone, we simply ask:

They are within easy reach of you

Do not sleep on our bedding (accommodation units)

Are never left unattended

You look out for and pick up their doings in a biodegradable bag and use our many dog bins

They are not aggressive towards other dogs or people

They do not yap - we particularly don't like yappy dogs!

A place to let them off

When the site is not too busy we usually have a field you can use - just ask one of the team

If not, there are a number of lovely short walks - here's two:

1) Head towards the village on the cyclepath but veer off left when the path rises and you'll find a lovely river. Turn left and follow the river through a number of fields and unlocked gates until you meet a road. There is a small wall to get your hairy friend over. You can either turn back, continue straight on for miles or turn left along the road for 100m then turning left down a track that will bring you back to the campsite entrance

2) Go out of the gate at the bottom of our family group field and simply wander down the drove. There are a number of droves off this one that are lovely to wander down even if they don't really go anywhere!

Urgent/Emergency

What to do in an Emergency

For emergency services (ambulance, police, fire, or coastguard) please immediately call 999 (or 112 from a mobile). Even without phone reception, 112 will work. Do not delay if you feel an emergency situation has arisen.

In case of a fire

- Exit as quickly as possible
- Ensure that all persons are accounted for
- Dial 999 and ask for 'FIRE'
- State your location
- Notify us once you're safe

Do not attempt to re-enter until a Fire Officer states that it is safe to do so.

Hot tub user guide

Hot tub - how to light her up and keep you safe

Enjoy your soak – safely and cleanly!

01F 525 Heating the Tub

- Open the firebox by sliding the lid to the left.
- Build your fire using small dry wood and a firelighter.
- After 5 minutes, add 4 to 5 logs. Continue adding wood every 30–40 minutes.
- Stir the water every 30 minutes to help it heat evenly.

Petruth Paddocks Campsite

Labourham Drove, Cheddar, Somerset BS27 3XW GB

01934 257055 | webbiz@petruthpaddocks.co.uk

- Use the temperature gauge provided – the ideal temperature is 37-38°C (about body temperature).
- Once the ideal temp is reached, slide the lid over to the right to reduce the airflow and slow down the heat.
- There are no dials – just add wood a little at a time to control the heat.
- Your tub should be ready to remove the thermal bubble cover and use within 2 hours.

Here's a helpful video:

27 05 Before You Get In

- Shower before using the hot tub – it helps keep the water clean.
- Don't use the tub with open cuts, infections, or if feeling unwell.
- Please avoid grass, soap, shampoo, or sunscreen in the water.
- Children – before use, check the temperature is less than 38 degrees and ensure they are always supervised.
- Stick to the maximum number of people allowed (6 adults or children).

01F 4A7 While You're In

- Enter and exit carefully – surfaces may be slippery.

- No glass or food in or near the tub and limit soaks to 1 hour.
- Avoid excessive alcohol while soaking - hot water amplifies its effects increasing the risk of fainting/dehydration.
- If the water looks murky or smells odd, do not enter the tub. Please inform a member of the team immediately.
- Pop the zipped cover back on when done/overnight to ensure safety for children and animals.

After You're Done

- Please dry off before returning to your pitch.
- Leave the draining and cleaning to us - we've got it covered.
- Let us know if anything felt off - feedback keeps things safe.

If you've hired the tub for more than 24 hours, we'll be over to drain and refill. Please do not use the tub until this is done - if you've not spotted us, please check with us before using.

Thanks for helping us keep things safe and sparkling for everyone!
